 There are many things that make Impact a special place to work or study, but there is no doubt that our people are very important. Our teachers and staff all love what they do, and do it extremely well. Naturally, all teachers at Impact are fully qualified and experienced, and take part in our regular PD sessions. Our staff and teachers have had the experience of living abroad and learning another language, so they understand exactly what students are dealing with and can relate directly to them. At Impact you can always find someone to assist or advise you – our teachers are not only the best, but sensitive and caring too.

 On the first day of your program, please come to Impact to begin your orientation. All students will be tested and placed in classes appropriate to their level. Program structure & study plan examples

10 General English / 10 Extreme English: Foundation / 10 Extreme English: Excel / 12 Cambridge Exam Prep: FCE

After studying in General English, I decided I wanted to take the FCE course. Extreme English was the perfect stepping stone and it really helped me prepare for FCE. Although these courses were challenging and intensive, I enjoyed it very much and felt that it was the best decision I had ever made. My English improved so much and I could express my opinions and communicate so much more fluently. I like the flexible course structure and found the most suitable classes to help me achieve my goal!

Juliana, Colombia

10 General English (BNE campus) / 5 Barista/Cafe English (MEL campus) / 3 Barista Kickstart (MEL campus)

I came to Australia to improve my English and to have a working holiday experience. I couldn't decide which city so Impact was the perfect choice because I could study in both Brisbane and Melbourne. After moving to Melbourne, I fell in love with the cafés and wanted to become a barista. The Barista course and Kickstart program really helped me understand the hospitality industry and gave me the experience I needed to find a job in a café!

Han, Korea

10 Extreme English: Excel / 5 Business English / 10 IELTS/EAP

I studied at Impact for six months and the IELTS course helped me achieve the score that I needed to get into a university in Australia! My teachers were very passionate and knowledgeable and constantly gave me feedback on my progress. Because of the English Only rule I made lots of good friends at Impact, like Anna, who is my classmate from Extreme English.
