Impact's IELTS/EAP course will help you get the IELTS score you need for higher education and the skills you will need to succeed when you get there! Our IELTS teachers have many years of experience teaching English and exam preparation. In this course you will:

- Improve your overall IELTS score
- Learn exam strategies for both the general and academic IELTS test
- Develop high level reading & writing skills
- Improve your listening and note-taking and presentation skills
- Learn academic English
- Prepare for further studies or higher education
- Obtain a pathway to higher education
