## TPS Information Sheet

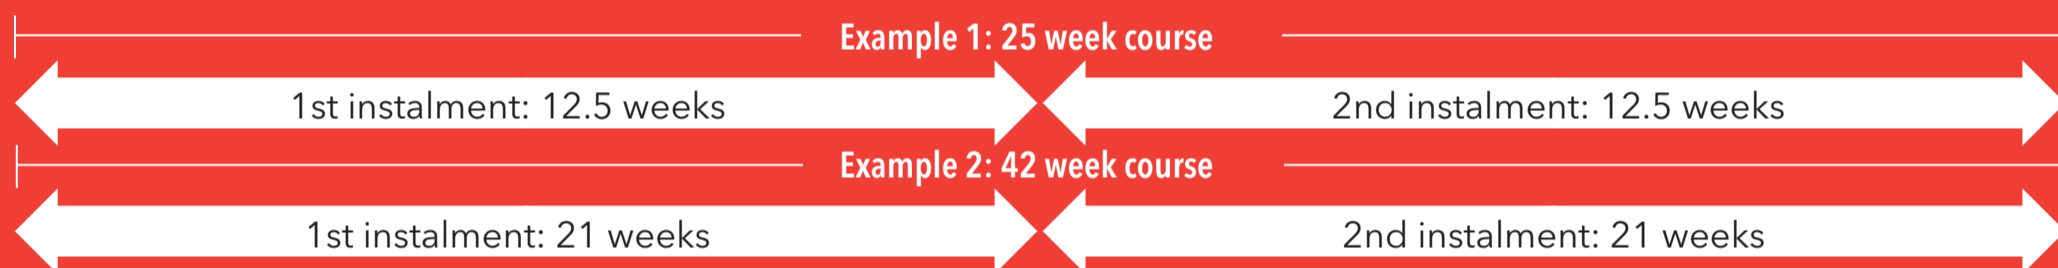

### Impact English College - TPS Instalment Payments:

A single course of 25 weeks or more can be paid with the TPS Instalment Payment. Full payment of fees can be accepted should the student choose to pay in full (see *Question 7 - Impact English College Application Form*). If TPS Instalment Payment is selected, payment details and due dates are included in the Letter of Offer. Failure to pay by the due date will result in suspension of all further study and cancellation of the eCoE(s).

Tuition and material fees for TPS applications under 48 weeks will be divided into two. For applications over 48 weeks, there will be three instalment payments. The first two payments will be 24 weeks each, and the remainder of the weeks in the third instalment.

Please refer to the following diagrams for some examples:

#### COURSE LENGTH: 25 - 48 WEEKS

#### COURSE LENGTH: 49 WEEKS & ABOVE

Any additional fees other than the tuition and material fees (such as enrolment fee, training fee, exam fee, OSHC, accommodation fees, etc.) will always be included in the first instalment payment.

Course Changes Policy - For TPS cases, any course changes will cancel all previous TPS arrangements, and course fees and any other associated fees must be paid before the commencement of each new course. If the original payment due date is earlier than the commencement date of new courses, the payment must be made by the original payment date.

### Full Payment:

If a student applies for two or more short courses (total study period of more than 25 weeks), full payment must be made for all courses prior to commencement at Impact.
